

UDJHSA MOTHERS CLUB

Membership and Donations 2007/2008

The U of D Mothers Club provides our young men with quality events not possible without the time and talents of its members. Who are its members? All mothers and female guardians of UDJHSA students automatically belong to the U of D Mothers Club.

Throughout the year, the Mothers Club organizes incredible activities for the UDJHSA community, our young men as well as Mother and Son events. In order to cover expenses and provide these events, we are asking each member to contribute annual membership donation of \$25. We gratefully accept and appreciate any and all contributions.

Please make checks payable to the U of D Jesuit Mothers Club.
